COHASSET HIGH SCHOOL-143 POND ST-COHASSET MA 02025

DEDICATION

Mrs. Duffy can be seen in a variety of locations around the school. Her primary home is the Home Economics room where she's "always in a good mood" and "patient and caring." During the fall she was busy coordinating the costumes for the high school musical, but she's also supportive at many school events and is very involved in the School Family program. After school she's "like a school mother," and is "always there for anyone who needs her." Thanks, Mrs. Duffy, for all you do!

Mr. Walsh has always influenced his math students in a positive way. They say he is the "best math and programming teacher" who has "patience five miles wide" and "a great sense of humor." He has given his students a chance to learn for themselves, but he's always there when they need help. He even puts up with his eighth period math class. Everyone enjoys his great stories. We'll miss you, Mr. Walsh, "Eh?"

If you are a student at C.H.S., you know Mrs. Mulligan because she is the one who greets you each day with a "smile on her face." She is "always understanding and willing to help," she cares about the students and is "willing to listen." Whether it's "keeping everyone up-to-date and in line with attendance," helping seniors with last minute questions, offering candy to students, or supporting school events, Mrs. Mulligan shows she is dedicated to helping people, students and teachers. Thanks, Mrs. Mulligan, for being there for us!

Soccer with a Kick

Experience counts as five seniors lead the 1994 squad to victory

The Cohasset Girls' Soccer Team enjoyed quite a successful season, finishing with a record of 11-6-1. Under the direction of a new coach, Maureen O'Day Clark, the team adjusted well. Every game was close and thrilling to watch. A surprise upset and the season opener was the win over Norwell, 4-0. However, defeating Abington 4-2 in the State Tournament for the first time in eleven seasons was the highlight of the year. The team will surely miss the leadership and experience of the five graduating seniors, Captains Kate and Corinna, and Erin, Tracey, and Megan. Nevertheless, the future looks bright if the team continues its hard work.

Efforts of nine seniors helped make '94 a season to remember

Led by a balanced running attack and great defense, the Skippers finished with a final record of 4-6. Despite some tough losses, the team remained focused and was able to accomplish many goals. Led by co-captains Nick Welz, Dorian Bryant, and Thomas Allen, Cohasset worked to round off the season after a mid-season slump. The newcomers helped the Skippers with special teams and staffed the RED TEAM, on both offense and defense. Homecoming against Old Colony proved, both mentally and physically, that this team could get its wheels turning and produce a WIN. With freshmen moving up, next year's varsity team should be fun to watch!!

Soccer makes the States

Another great season for Blue as seven seniors make their mark

Led by Capts. Jim and Jer, the Cohasset Boys' Soccer Team enjoyed another successful season. The toughest game was the first one against top-ranked Norwell. This defeat made the team realize it would be facing challenging opponents, and it quickly regrouped. A positive attitude and incredible stamina led to a record of 11-5-2, qualifying the team for the States, where Avon was defeated in the first round. The run was cut short by a powerful Williams team, who surpassed the team in goals, but not in spirit. The seven starting seniors will be missed, but, under the leadership of '95's captains, Erik and Chris, the team should continue its winning ways.

Trip to the States is exciting for All-Stars and a fine, young team

Though the team started out with a young squad (only two seniors), they enjoyed a surprisingly successful season. The season highlights included beating Scituate for the first time in years and the crucial last game of the season, where Cohasset defeated Notre Dame Academy. For the first time in five years, the Cohasset Field Hockey team made the State Tournament. Although the trip to Nantucket resulted in a loss, they returned home, proud of their season. With All-Stars Faye and Chloe returning, and an experienced group of seniors making its contribution, next year should bring another trip to the tournament.

Skill + technique=great teamwork and greater outlook for next year

This year's team was quite competitive, playing a strong schedule against Division 1, 2, and 3 teams. However, there were some unexpected outcomes! For the last 2/3 of the game against Hanover, Cohasset outscored and outplayed the South Shore League Champions. As the season progressed, every player improved in skill and technique, which helped to create a very talented and exciting hockey team. Although they didn't make the States, the record during the last season improved considerably. The seniors will be missed, but with the help of some talented young players coming up, the team will continue to excel.

gymnastics with a Flip

Another outstanding season for a "well-balanced", All-Star, team!

Congratulations go out to the Girls' Varsity Gymnastics Team this year who had a number of reasons to be proud. With hours of practice and constant improvement of their skills, they became champions of the Pilgrim Conference II League, with a record of 13-0. Also, for the second time in CHS history, this winning team was able to make the South Sectionals in Foxboro. Another amazing achievement of the gymnasts was the unbelievable choice of five girls for the All-Star Team. This talented squad was coached by Ruthann Ardizonni, leading the gymnastics team not only to its best season ever, but also to one that is sure to repeat its success next year.

Wrestlers continue the tradition- "Take pride in the commitment"

Although a very young squad, the wrestling team, led by Senior Capts. Ryan and Dan, managed to compile a record of 10-7. This was the team's fifth consecutive year of having 10 wins or more. Overall, the team placed 4th at the South Sectionals and had two Sectional Champs, Tucker Gledhill and Ryan Freeman. Cohasset sent 7 wrestlers to the State Tournament where Tucker placed 6th, Kevin placed 5th, and Ryan placed 2nd. Since only two seniors are graduating, the wrestlers have a bright future. The team would like to thank Coach Buckley, Coach Rourke, and Coach Sweeney for their hard work and dedication.

The team's win over Hull was assisted by 7 talented seniors!

Plagued by Injuries, the Cohasset Girls' Basketball Team had a disappointing record (4-14), but not a disappointing season. The Skippers continued to improve this season, performing very competitively in the strong South Shore League, giving all the powerhouses a run for their money. The season was highlighted by a 46-39 victory over Hull. This victory was Cohasset's first over the Pirates in seven years! The Skippers will be saying goodbye to seven outstanding seniors: tri-captains Kate, Liz, and Erin; Leticia, Adrienne, Corinna, and Megan. With some great talent coming up, the future of the girls' team is looking great.

Rivals fall by the wayside as Cohasset drives to E.Mass Finals.

This year was an unbelievable success for the Boys' Basketball Team. The undefeated Skippers won the South Shore League title for the second straight year, and then won the Hall of Fame Classic by defeating Division 1 B.C. High. In the State Tournament, Cohasset won emotional games against Canton and Apponequet, won in impressive fashion against Dover-Sherborn, and then defeated Dedham to capture the South Sectional title. The Skippers went all the way to the E.Mass finals at the Boston Garden, ending the year ranked 11th in the state! Coach Ford has an excellent returning team and next year's season should be another great one.

The ski team, in a rebuilding year, relied upon some very young racers, who surprised the league with their successes. Both Caitlin and Bobby Stansell worked hard to qualify for the State Championship. Consequently, the coaches are not only looking forward to more championship opportunities next year, but are also extremely excited about the future of the entire team!
